Saurabh Raj Singh

Contact no.: 8840538840

Email ID: 10janraj@gmail.com

Career Objective:

To work with a company which appreciates innovation so that I can enhance my knowledge and skills to give my best for the growth of the company.

Projects:

Project 1:

Portfolio Websites

Project Outline:

In this project I have designed my own portfolio website with the help of HTML and CSS.

Github url:

https://github.com/srs12345/portfolio-website

Project 2:

Whatapp webpages

Project Outline:

Using Bootsrap,I have created fully responsive design of whatsapp.It consists of the following pages:

1) A main page displaying all the chat messages.

2) A chat view page containing messages with an individual or a group

 3) A view to change the profile picture.

4) Another main page view which displays all the chat messages but contains some unread messages from some people.
